## **HB 3098 - SB 3153**

February 28, 2000

**SUMMARY OF BILL:** Authorizes the Commissioner of Environment and Conservation to set fees and promulgate rules and regulations for entrance into and use of state parks and natural areas.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Revenues - Net Impact - Exceeds \$100,000/ ermissive**

Bill authorizes but does not mandate the Commissioner of Environment and Conservation to set fees for entrance to state parks and natural areas. The amount of revenues collected as a result of establishing such fees would depend on the fee schedule approved by the department and expense related to collecting the fees. Such amount cannot be determined but the net increase in state revenues can be reasonably estimated to exceed \$100,000 if fees are implemented.
